*Bitu-Ox Bio NT™* is a safe and effective product that could be used at construction sites, public works, various facilities and more. *Bitu-Ox Bio NT™* immediately breaks down any graffiti or adhesive covered surface and turns it into a liquid form for easy clean up. This formula not only works effectively but is certified biodegradable and waterway safe\* by SCS Global Services located in California.

*Bitu-Ox Bio NT™* is extremely safe and gives instant results. It can be used on metal, brick, concrete and more surfaces. It can be used on any job from large to small. Its' effectiveness makes *Bitu-Ox Bio NT™* an easy return on investment. It will prolong the life of the equipment, shorten man hours when it comes to cleaning and create a safer work environment.

### **Bitu-Ox Bio NT™ OVERVIEW**

A non-evaporative solvent designed to break down graffiti, paint, adhesives, inks, hydrocarbon and grease. Can be used in a power washer for extreme cleaning. For use on multiple surfaces, rinse with water after use. For use in any industry including public works, department of transportation, construction and auto.

Available in 32 oz. bottles, 5 gallon pails and 55 gallon drums.

*SCS Certified Biodegradable & Waterway Safe\**
